

WATCH: Is Hillary Clinton's 'Sick' Response a Political Gambit?

The nation is devastated over the loss of nine people—Christians, targeted for their faith.

For some politicians, though, it isn't enough to talk about prayers and support for victims' families.

Democratic candidate for president Hillary Clinton is ready to take action to ensure gun violence like this never happens again. But will she succeed?

Watch the video to see her plan and let us know what you think about it!
