

WATCH: Is This Evidence of a Coming Global Attack?

Implementing the Iran Deal may be what ushers us into Armageddon, according to guests on the *Jim Bakker Show*.

All you have to do is turn on your television or hop over to your news outlet of choice, and the signs are all there.

“The next 90 days will be more important than the past 54 years of your life,” says Pastor John Kilpatrick.

What does he mean? Watch the video to see.
