

WATCH: John Kilpatrick Offers Prophetic Insight Into Natural Disasters

Could the consequences of turning against God be literally rumbling through the nation?

Just look to California, which is simultaneously experiencing flooding, fire, drought and earthquakes.

“So what I’m saying is: The more filthiness and perversion, and the more God’s cup of wrath is filled, where it’s ready to overflow, the earth will manifest like crazy. There is a connection, definite connection, between sin and the land,” pastor John Kilpatrick says.
