

WATCH: Lecrae Offers His Remedy for Christian Compromise

Lecrae shared his heart with *Billboard* magazine—no holds barred—in this video interview. Here's one of the most powerful things he said:

“As a rapper who is a devout Christian, you would think I would struggle or wrestle with compromise, because a lot of hip-hop is full of violence and misogyny and so forth. But it's not really a struggle for me, because it's not my reality. It's not the life that I'm living.”

Watch the rest of the video to see how Lecrae is working to make an impact on our culture through his music.
