

WATCH: Lecrae Takes ‘White Brothers and Sisters’ to Task for This

LeCrae wants to know what’s going on in the minds of white evangelicals who are obsessing over some lives and not others.

The rapper has not been shy about posting his opinions against the Islamic State and abortion. In fact, he’s been lauded by his “white brothers and sisters” for speaking against such evils.

But when it comes to racial inequalities, LeCrae says, “There’s this sentiment of what feels like hostility or defensiveness,” that comes from his commenters.

Watch the video to see why.
