

Watch Live: President Trump Announces His Decision on the Paris Climate Accords

President Donald Trump was scheduled to announce the U.S. is leaving the United Nations' Paris Climate Accords during a Rose Garden speech that began at 3 p.m.

You can see the speech in the video clip above. While the president has been riding the fence about whether or not he will keep the U.S. in the agreement, most news outlets are reporting he will announce an American walkout. {eo}
