

WATCH: Nun With the Voice of An Angel Has “The Voice” Judges in Tears

Wowza. Looks can be deceiving, which is precisely why “The Voice” judges keep their chairs turned until they’ve heard enough to want them on their team.

To get one chair is impressive, to get four, a verified rarity.

This woman gets all of them, but when they hit their red buttons, they’re aghast at what they see.

Take a look.
