

WATCH: Perry Stone Answers the Question: Has the Tribulation Already Started?

There are many who believe the signs of The Great Tribulation are all around us, that we've missed the five trumpets and should prepare for the pouring out of God's judgment.

It appears as if biblical prophecies are manifesting before our very eyes.

But what if these "signs" are nothing more than living in a fallen world?

Watch the video to see what Perry Stone has to say and let us know where you stand on the matter!
