

WATCH: 'Preachers of Detroit' Tackles Women in Church Leadership

On the same network that glamorized the marital life of *Beverly Hills 90210*'s Tori Spelling comes *Preachers of Detroit*, an in-depth look at life of pastors in one of America's most violent neighborhoods.

But the preachers aren't holding back when it comes to discussing women in church leadership.

Each bishop and pastor—or his wife—has a strong opinion about a woman's role both in the family, church leadership or even the head of the country.

Watch the video (start at minute 24) to see the discussion.
