

WATCH: Rick Joyner: The Fourth Blood Moon and the Tipping Point in America

With the convergence of the end of the Shemitah, the fourth blood moon and more, prophets far and wide have their eyes on September.

“I just began to talk about some challenging times but also incredible opportunities we have right now. Both are coming at the same time,” says MorningStar President Rick Joyner.

Are crisis and opportunity for God the same thing? Watch the video to see what Joyner says about what could be in our (nearly) immediate future.
