We all face decisions. A skeptic, a struggling teen and a woman hiding from her past reach a moment of truth. “Decisions” features a gospel message from Franklin Graham, president and CEO of the Billy Graham Evangelistic Association, and looks at the lives of people of different ages and backgrounds who have heard the Gospel through Graham’s 2016 Decision America Tour and made life-changing decisions to follow Christ. Watch “Decisions”, from the Billy Graham Evangelistic Association’s My Hope ministry, now on local and Christian networks. Check local listings for airings in your area at .
