

Watch the Men Who Tried to Cast a Devil Out of Ted Cruz at a Rally

Protesters attempted to cast demons out of Ted Cruz at a recent campaign rally.

“Ted Cruz, look in the mirror and let the evil spirit depart!” one of the men yelled. “He’s possessed by a demon!”

The protesters demanded the evil spirits flee Cruz’s body.

For his part, Cruz took it well, joking they were probably sent by the Bernie Sanders campaign.
