

WATCH: That Pastor Did What for How Long?

Think your pastor is long-winded for speaking for an hour, max? Think again.

Fifty-three hours and 18 minutes later, Cross Mount Dora pastor Zach Zehnder broke the Guinness record for longest public speech.

“My goal of the whole sermon was to talk about God’s ridiculous commitment to his people, even though we give up on him that he never gave up on us and kind of trace that theme throughout,” he told the Christian Post. “I tried to keep that theme throughout the 50 sermons.”
