

WATCH: Why America May Change Forever This October

Christians are not exempt from persecution that may soon shake the globe.

But instead of fighting against the persecution, believers are adjusting.

“So we’re falling right now, as a nation, we’re falling and falling and falling,” *TruNews*’ Rick Wiles tells Jim Bakker. “And what’s happening, Jim, is people are acclimating to the fall. The more we fall, they just get used to it.”

Which could mean bad news a lot sooner than you’d expect. Watch the video to see what we mean.
