

WATCH: Why Hasn't God Judged America Yet? Or Has He?

We keep making parallels between America and the children of Israel, prophesying warnings of coming judgment if we don't turn and repent.

But what if the judgment has already happened?

"As we try to put it in perspective, let's take a look at what God sees when the American flag goes by," says author Chuck Missler. "He sees a culture that has outlawed His Word out of the schools. It's a culture that has forbidden His mention in any public place."

And if hell is being separated from God, America could fall into that category.
