

WATCH: Woman Miraculously Healed of Debilitating Disease

Do you realize that physical attacks are mere manifestations of spiritual ones? If we believe the words of Jesus in John 10:10—when He says, “The thief does not come, except to steal and kill and destroy. I came that they may have life, and that they may have it more abundantly”—then we will understand why physical attacks, such as Parkinson’s disease happen.

Parkinson’s disease is a spiritual weapon formed by Satan to steal, to kill and to destroy people. But we do not have to accept these wicked attacks formed against us because Jesus came to give us life and life in abundance through the spiritual blessing of supernatural healing.

Study the Word of God concerning healing so that your faith can be strengthened to rebuke these attacks and believe for your healing.

Encourage your faith as you listen to Betty Hertzler share her glorious testimony at a recent healing seminar of how she is healed from Parkinson’s disease.
