

WATCH: You Can't Pray Away End-Time Events

The Iran Nuclear Negotiations is further indication the end of times is approaching, Jim Bakker says.

Christians can cry out to God all they want, but there is nothing that can stop what the Bible foretold.

"Man can't stop biblical events that the Word of God talks about, that are coming to the earth," author Zach Drew says. "We can't manipulate that."

So what can we do? Watch the video to see.
