

We Cry Out

Jeremy Camp | BEC Recordings

For his seventh CD, Jeremy Camp taps his worship-music roots, sharing songwriting credits with Reuben Morgan (Hillsong), Brenton Brown (Vineyard) and Matt Maher (*Alive Again*). Producer Brown Bannister (Debby Boone, Kutless) takes the helm in the studio, and the joint efforts round out a heartfelt, worshipful CD. *Billboard* recently recognized Camp, ranking him No. 3 among Christian artists of the last decade, though Camp defers the accolade. "It's the Lord doing the work ... not me," he says.
