

We Have the King

They all continued with one accord in prayer and supplication.

—ACTS 1:14

Originally, five hundred people witnessed the resurrection, but only one hundred and twenty stayed in Jerusalem as Jesus commanded to wait on Him—doing what He said, where, when and how He said to do it. Of these, three hundred and eighty missed Pentecost because they did not obey the King. Don't miss the visitation of the Holy Spirit in your life because of disobedience.

The church was born as the other one hundred and twenty people poured themselves out in humble obedience. They said, "Anyone who has the keys of death and hell must have the keys of the kingdom. If He has the keys of the kingdom, He must be the King of the kingdom!"

They didn't have a great building. They didn't have a head choir, no radio, no television, and no Bible. They didn't have anything but a King! And if you have the King, He brings the kingdom with Him!

That's all we need! We don't need another building, another program, another lecture, another sermon, another tape series, nor another book! All we need is the King.

King Jesus, I submit to your authority and will in my life.

**I desire for You to rule my whole being. Establish Your
kingdom in my life. Amen.**
