

What Do You Want Jesus to Do?

Some people have come to the conclusion that the church of Jesus Christ does not really care that their child has autism, Asperger's or obsessive-compulsive disorder, so many people have come to me and said they don't seem to know what to do. They wonder if their child's condition is a rare symptom that cannot be healed.

I am a byproduct of Gods healing; I should have died in 1975, 1976 and 1977 when I drank cockroach and rat poison, but I didn't. I'm still alive and am now 52 years of age. I don't have autism, Asperger's or OCD anymore. I want to inspire your faith and walk with God; your family members too can receive this full-blown healing from Jesus Christ.

I had a combination of all three conditions, and it was my faith in Jesus Christ to heal me that changed my life forever. I had seen so many others healed of various things, so I thought to myself, *He will heal me too*. In Mark 10:52, Jesus said to the blind man, "Go your way; your faith has made you well." And immediately he received his sight and followed Jesus on the road. Prior to this, Jesus commanded him to come and said, "What do you want Me to do for you?" (Mark 10:51). The blind man said to Him, "Rabboni, that I may receive my sight." Then Jesus said to him "Go your way; your faith has made you well." The essential substance or ingredient needed for our healing is faith!

Stock exchanges around the world run on the substance of faith and trust, and the moment there is no faith and trust, people panic sell. Billions of dollars self-destruct. When it comes to Jesus Christ and the Word of God, the one ingredient that will carry you through is your faith in Jesus Christ. {eoa}

Reg Morais is the senior pastor of Living Faith Community Church, launched from Anoint the World Ministries, which he

founded 15 years prior. Each week he runs seven services, reaching a global audience through social media platforms. Learn more about him and his ministry at .
