

What Does It Look Like to Be Faithful?

I've had people make promises, sometimes with tears, that they were with me in the battle for men's souls.

And then that's the last I ever saw of them. Never heard from them again. You've had this happen too, so you know what I'm talking about.

We know what a faithful man is, because we know what an unfaithful man is. I really don't understand why men make promises they don't keep, but let's you and I, from this day forward, never let that be said of us.

Let's be men who are faithful to reach and disciple others—starting at home. And let's always keep in mind that God does not call us to produce a particular outcome, he calls us to be faithful.
