

What Kourtney Kardashian Is Gleaning From Old Testament Prophets

Kourtney Kardashian has turned to the Old Testament to find joy, according to a recent Twitter post.

The *Keeping Up With The Kardashians* star and mom of three shared a passage from Habakkuk with her social media followers:

Many scrutinize the Kardashians' faith, attempting to understand how a biblical worldview plays a role in their sensationalized salacious lifestyles.

But since her break-up with Scott Disick, Kourtney has appeared to draw strength from the Word of God.

Kourtney is often spotted attending church in Los Angeles with her children.
