

What Mysteries Does Jonathan Cahn's 'The Paradigm' Hold for 2018?

Jonathan Cahn's hit *New York Times* best-seller, *The Paradigm: The Ancient Blueprint That Holds the Mystery of Our Times* (), exploded onto the scene in 2017, with readers amazed at the parallels the author drew between an ancient paradigm from 3,000 years ago and today's headlines.

Now, what mysteries will *The Paradigm* hold for 2018?

"In *The Paradigm*, current events become the manifestations of an ancient mystery," Cahn writes. "We will see ancient monarchs and modern presidents merging together, the reigns and actions of ancient kings governing the reigns and actions of modern leaders, ancient scandals lying behind modern scandals and the events of ancient times determining the course, the direction and the timing of the events of the modern world."

The Paradigm is Cahn's most astonishing book yet, as it uncovers the hidden story and mystery behind the most shocking headlines of our times. The book debuted at No. 5 on the *New York Times* best-seller list, as well as at No. 5 on *Wall Street Journal* and No. 6 on the *Publisher's Weekly* lists.

In his signature descriptive and precise writing, Cahn exposes in *The Paradigm* astounding parallels between ancient Middle Eastern palaces and the White House, biblical leaders and today's political figures, and scandals from thousands of years ago and the current controversies on American soil. Now, the world awaits other parallels that may be uncovered in 2018.
