

What Really Happened When God Said, 'Let There Be Light'

We read in Genesis 1:3, "God said, 'Let there be light,' and there was light."

Did you ever realize that when God speaks, "Let there be light" in this verse that He does not refer to the sun, moon and stars? The creation of these heavenly lights can be found on the fourth day, but we are still on the first day of creation (Gen. 1:14-19).

What is this light that He refers to? It is His manifest presence on the scene.

When we allow His presence to manifest, His glory overshadows the darkness and the conditions have no choice but to change. Evil bows to good, darkness reforms to light, corruptible to incorruptible, imperfect to perfect and impossible to possible.

If you are in need of a miracle, the best thing you can do is to find your way into the very presence of God and allow His power overtake and heal you. There is no sickness or disease that can withstand the presence of the Holy Spirit.

Is there an area in your life that needs the power of the manifest presence of the Lord? {eoa}
