

What's Going to Happen in the Coming Storms

Storms are brewing, according to multiple prophetic voices.

While some may believe these storms are purely in the finance industry, author of *The Coming Storm*, Ray Gano, says more are on the horizon.

We should expect everything from natural disasters to losing our jobs, Gano says on *The Jim Bakker Show*.

"All these things take place, but if we are prepared, if we are doing the right thing, then we have a chance to take these distractions away from the enemy," Gano says.
