

What the Illuminati Have to Do With Genetic Advancements, Nephilim

Genetic corruptions, the Illuminati, human hybrids and ... giants?

Blogger Steve Quayle and televangelist Jim Bakker say if believers look hard enough, they can see the evidence of these things posted on even the most secular of news sites.

“The reason this is important is because science wants to do away with the last vestige of Adam, the last man on Earth,” Quayle says. “Jesus even said if it were possible, even the elect, there would be the destruction of all flesh.
