

What the Shocking Brexit Decision Reveals About End-Times Prophecies

Did Great Britain's decision to exit the European Union stall the Revelation 13 prophecy of a new world order?

Perhaps.

"One-world government people want countries in groups because they are easier to control that way," *Revelation in the News* host Zach Drew says.

But Drew isn't the only one who sees the parallels.

"The entire world is ready for a revolution," author Tom Horn told Drew. "People are rejecting the norms."

So what does this mean for us as we approach the Second Coming? Take a look!
