

# What to Expect in the Prophetic Jubilee

Now that we've entered the Year of Jubilee—that is the 50th year after a seven Shemitah cycle—many are wondering what's to come.

In order to provide insight, Rabbi Jonathan Cahn reviewed the last two Jubilees in 1917 and 1967.

The parallels between those years and now are intriguing. For example, both included a major war that affected the Middle East and the land of Israel.

All you have to do is turn on the news to see the similarities now.

Watch the video to see the other parallels.
