

What You Need to Know About Microchip Implants and the False Prophet Behind The Mark of the Beast

End Time Headlines founder Ricky Scaparo and evangelist Kelly McDonald detailed warned of the manifestation of Revelation prophecies in their recent broadcast.

Their prophetic update comes after a Wisconsin company announced it was microchipping employees so they could use RFID chips as payments.

The mark of the beast, the two say, will be implemented by the false prophet or the second beast described in Revelation.

But many who describe this false prophet don't fully understand.
