

What You Need to Know Prophetically About Israel and Russia

The world's prophetic shaking was granted a reprieve shortly after America elected Donald Trump.

But it appears the reprieve is over, and much of it has to do with Russia and Israel. Recently, the Obama administration basically expelled 35 Russian diplomats from America.

"This is the type of thing we read about in history books," *Revelation in the News* host Zach Drew says. "This is the type of thing that takes place before war happens."
