

When a Man You Love Was Abused

 **When a Man You Love Was Abused**

Cecil Murphey

Kregel

A survivor of childhood sexual molestation offers women a guide to help the men in their lives overcome such abuse. Cecil Murphey explains problems survivors might encounter such as painful memories, self-esteem issues and a need for control. He also shares how women can assist to bring freedom, healing and forgiveness. Murphey's wise and compassionate advice comes from a perspective of victory.
