

When Elvis Presley Glorified God During a Rock Concert

In audio from a 1974 concert, the king of rock 'n' roll bows to another: Jesus.

Elvis Presley can be heard asking a concertgoer to bring her sign to the light.

"Oh, thank you darlin', thank you very much," Presley says. "The thought is beautiful dear, and I love you for it ... I can't accept this kingship thing because to me, there's only one (king), which is Christ."
