

When Your Calling Seems too Big to Handle, These Truths Offer Godly Hope

Do you feel God calling you to do something that feels bigger than you are, but you think, *Oh, I could never do that* or *It's just too late* or *It seems impossible*?

If you've struggled with this, it's time to get filled with godly hope.

On a recent episode of *The Strong Confident His* podcast on the Charisma Podcast Network, Kim Dolan Leto shares her faith-filled journey to doing the impossible at 40 and becoming a FOX Sports fitness champion. She also shares how God made her brave enough to step out in the power of the Holy Spirit and become a bestselling author and speaker.

Leto calls them "Him-possible" moments.

She recalls clear moments when God spoke to her heart and she listened. Stepping out in Him required her to be comfortable not knowing the whole journey, but believing in faith and taking one step at a time.

God is waiting to show you what He can do in your life too! If you bring all that you have to God, you had better believe He will bless it.

The following Scripture speaks to this perfectly:

"What is impossible with men is possible with God" (Luke 18:27b). {eoa}
