

When Your Situation Seems Too Big for God to Heal, Try This

Is your situation too big for God to heal? If you think so, then you bind yourself to this falsehood and you are not able to believe for your miracle. But if you will allow His Word to renew your mind, the situation you face will lose its power and it won't seem so impossible anymore.

Jesus receives urgent news to come and pray for His friend, Lazarus. But He is delayed in His arrival. When He arrives, his sisters tell Him that He is too late, and their brother is now dead. To the natural mind, the situation is beyond all possibility of healing. But this doesn't seem to bother Jesus.

Jesus goes to the tomb, they roll the stone away, and He cries out, "Lazarus, come forth!" And Lazarus' body that has been dead for four days obeys His command of faith, and his spirit comes back into his body, and all that is dead and decayed come back to life, and he walks out of that tomb alive and well! (See John 11:1-44.)

So I ask you again, *"Is your situation too big for God to heal?"* If you will renew your mind with the healing promises found in God's Word, He will take His rightful position in your heart and mind, and He will be above the sickness. And the sickness will move to its proper place as well—below your feet. And you will discover that you can believe God for your healing too.

"This Book of the Law must not depart from your mouth. Meditate on it day and night so that you may act carefully according to all that is written in it. For then you will make your way successful, and you will be wise. Have not I commanded you? Be strong and courageous. Do not be afraid or dismayed, for the Lord your God is with you wherever you go"

(Josh. 1:8-9).

“I urge you therefore, brothers, by the mercies of God, that you present your bodies as a living sacrifice, holy, and acceptable to God, which is your reasonable service of worship. Do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is the good and acceptable and perfect will of God” (Rom. 12:1-2).

Go ahead, renew your mind with God’s Word, and allow yourself to heal in spirit, soul (mind and emotions), and in your physical body too. {eo2}
