

Why Demonic Powers Are ‘Freaking Out’ Over President Donald Trump

The Trump surname could become the next American political dynasty, Zach Drew tells a panel on a recent episode of the *Jim Bakker Show*.

The legacy Donald Trump leaves goes much further than these next four years.

“That’s why I think the demonic powers represented in the flesh and the globalist community are freaking out, because of what he possibly represents,” Pastor Carl Gallups shares.

Watch the video to see what that is.
