

# Why Saying This Simple Word to God Is the Best Thing You Can Do

Imagine your life a year from now, two years from now, 10 years from now—uninhibited, free, all while fulfilling God's purpose for your life.

What if I told you the journey to that far-off dream starts with one simple word, yes? Giving God your yes today can be the launchpad for an incredible transformation in your life that will change the world around you.

How do I know this?

Because that's my story and the story of Maralee Gazelka, who I had the pleasure of interviewing for the podcast this week.

Maralee is a painter, speaker, teacher and a member of my Created to Thrive mentoring group. Over the last eight years, I've had a front-row seat to the major transformations happening in her life, all because she said yes to God.

Listen to my podcast with Maralee, where we dive into how she learned to say yes to God!
