

Why This End-Times Expert Is Focusing on the Underground Church

You may recognize Joel Richardson's name from his many books, his eschatological studies or his videos, but did you know he's involved in the growing underground church in the Middle East?

It's called The Underground, and, "ministry-wise, it's one of the fastest growing underground networks in Iran and Afghanistan, Tajikistan, Uzbekistan," Richardson says.

"That's my heart, my passion: [Sharing] the gospel throughout the Middle East."

Listen to the podcast to hear Richardson talk Israel, Saudi Arabia, the underground church, Egypt, writing, end times and more.
