

Will the Real Donald Trump Please Stand Up?

Donald Trump.

No matter what he says on the campaign trail or how little he offers about his policy positions, Trump keeps rising in the polls. He's certainly broken the mold for presidential candidates.

As we prepare to watch the second GOP presidential debate, we can only wonder what he'll say or how many million viewers will tune in to find out. It's like an episode of *Duck Dynasty* at its ratings peak.

As journalists we get to see presidential candidates behind the scenes before the lights are on and the cameras start rolling.

CBN News video journalist Mark Bautista covers Trump so we asked him to give us some insights into the man making all the headlines.
