

Within My Heart

Tamera Alexander | BethanyHouse

Hoping

to keep her late husband's dream alive, Rachel Boyd and her two young

sons work hard to keep their ranch afloat. When Rachel is injured, she

has to turn to someone she'd rather avoid: Dr. Rand Brookston.

Rachel is

grateful for his help, but he stirs up feelings she's not ready for.

She has a choice: live in the love of the past or open her heart to a

new future.
