

Woman in Waiting: A Kingdom Marriage Discussion

How do you stand strong when the wait has been so long? If you are a woman of God waiting on his marriage promise to come into fulfillment, then I have a conversation you definitely want to listen in on.

Have you found yourself growing weary while waiting on your kingdom spouse? Do you feel as though God has forgotten His promise to you? In my podcast episode, Woman in Waiting: A Kingdom Marriage Discussion, I speak candidly with my special guest, Alexis Dominique, about how to not grow weary in the wait. It wasn't easy but we shared some vulnerable moments about overcoming self-sabotage, negative word curses and cyclic patterns of unbelief and doubt that tried to keep us bound as we are waiting.

In this episode, we want to let listeners know that you are not alone. You can overcome this battlefield in your mind that tries to bog you down and make you think that your waiting is in vain. Your adversary is working against you to make you think that your promise will never come to pass but I assure you that is false.

Ask God how you can make the best use of this season because it will not last forever. It is designed to prepare us for what is to come next. Check out this episode to hear all the tips and advice we give on how you can make the most out of your waiting season. You can also watch the video version over on my YouTube Channel!
