

You Are Called to be a Heroine

“Abraham entered into what God was doing for Him, and that was the turning point. He trusted God to set him right instead of trying to be right on His own.” Romans 4:3 MSG

Heroine

Heroine; “A female hero or heroine: superwoman, champion, conqueror, star, protagonist, lead, and brave woman. A woman noted for courage and daring action.”*

You have been targeted by the enemy simply because you have the potential to be a hero. You are an anointed daughter of the Most High God, the Creator of Heaven and earth and of all things seen and unseen. This makes you a potential threat to the enemy.

We don't have to figure out our hero qualifications and then try out for the role. It is already ours! But the most crucial step in becoming a hero is that we grant God the permission to have His way in us. Living in a way of complete surrender to Him will enable Him to use us to the fullest! Never doubt that you are part of the story of your day. You have been commissioned for greatness!

“We can be in our day what the heroes of faith were in their day- but remember at the time they didn't know they were heroes.” – AW Tozer
