

Your Generational Curses Can Be Broken—Even That of Homosexuality

There is no denying the fact that pride may get in the way of people being ready to hear and accept the truths shared in *Flawed & Free's* latest episode, *Breaking Generational Curses of Homosexuality*. In lieu of Pride Month, I partner with my daughter and Holy Spirit by sharing a transparent moment of overcoming and dismantling the bloodline curse of homosexuality that plagued my family for many years until it ran into me! In this episode, we discuss how an entire generation can be subject to a curse by the sin of our forefathers. In this episode of education and transparency, I equip the saints with the necessary tools needed to destroy every generational curse of homosexuality with our free downloadable prayer for destroying generational curses.
