

Your Supernatural Key to Tearing Down Demonic Strongholds

A reader writes and asks, "When believing for healing manifestation, do I continually speak to the mountain or do I just keep thanking God and confess my healing or both?"

This is a great question. It depends upon the way you are speaking. Are you speaking about the mountain, which will increase its demonic stronghold over you? Or are you speaking to the mountain with the authority of Christ in a way that will cause it to lose its power over you?

Generally speaking, you want to speak with authority to it in such a way that the demonic power behind it clearly understand you will not tolerate this sickness or physical problem anymore. For example, "In Jesus' name, I thank You that I am delivered and healed. My heart is recreated and functions normally. I will not die, but live and declare the glory of the Lord."

Jesus says in Matthew 17:20 (NIV), "Because you have so little faith. Truly I tell you, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there,' and it will move. Nothing will be impossible for you."

And to encourage your faith in the power of our words, read this wonderful testimony from one of my readers who spoke to the mountain in his life:

"My name is Peter, and I first heard you on Sid Roth. I have a prayer request and a testimony. I had a lump on my chest that got healed after praying the prayers you asked your friend who had cancer to repeat as many times as possible. Only a scar is left, which is disappearing! Thank you to Jesus."

According to Proverbs 18:21, our words contain the power of life and death, and we need to know when to speak life and when to speak death to the situations we find ourselves in.

“The tongue has the power of life and death, and those who love it will eat its fruit”, Proverbs 18:21.

Learn to use the supernatural power of your words and speak death to that stubborn mountain and release life into that sick or weak body part, or painful situation. {eo}
