The Final Testament

A Warning from God to the Saved and Lost.

To the Lost: Receive Jesus Now.

To believers: Let go of the “traditions of men” and prepare for the soon return of Christ.

This book has the potential to pave the way for the Lord’s return. For some, it will be thought-provoking; for others, it may be shocking. It challenges the way we see modern Christianity and leads you to the truth—and the truth will set you free.

This book is a masterpiece in modern-day Christianity. Brother Rene speaks God’s truth, refusing to bow to the weight of misguided tradition.

Read this powerful message.

KNOWING GOD’S VOICE by Rachael Groll

How to Recognize God's Voice, Speak Boldly, and Bring God's Light into an Increasingly Dark World.

In our noisy world, we struggle to hear God's still, small voice. And even when we think we do, we have lots of questions.

- *How do I tell the difference between the voice of God, my own voice, and the voice of the enemy?*
- *How can I be confident in what God is telling me to do?*
- *How can I share what God is teaching me when I don't always feel like my voice is valued because I'm a woman?*

Drawing upon stories of biblical women who heard from God and shared His messages, *Knowing God's Voice* will equip you to identify God's voice and confidently speak His truth to those around you. As you explore the impact of these women (including some you may have never heard of), you will be encouraged and emboldened to learn that not only does God still speak—He's speaking to you.

THE LEGACY LIFE

by David Green and Bill High

Leading Your Family to Make a Difference for Eternity

We all want to live a life of meaning and significance. The problem is, when we think of a life that makes a difference, we think way too small. Our lives can and should make an impact today—and we should also be working toward building a legacy that lasts for generations to come.

Rejecting the current work-hard-then-retire mindset, David Green, founder and CEO of Hobby Lobby, and Bill High call us to a biblical, generational view of ourselves and our families. With a paradigm-changing perspective, they help you

- *develop a legacy perspective on your life and family*
- *articulate and live out your mission and values*
- *recover from failures and celebrate successes*
- *tell your stories from generation to generation*

It may feel strange at first, but when you shift your mindset to understand your life in generational terms, you'll discover that while you are not the story, you are part of a story that matters for eternity.

CONFESSIONS OF A CHRISTIAN ALCOHOLIC

by Jonathon M. Seidl

Finding Freedom in an Alcohol-Obsessed Culture

There's hope for alcoholics who become Christians—and for Christians who become alcoholics.

While the Christian community loves stories of salvation, it struggles with stories of sanctification—the often messy journey of becoming like Jesus. As a result, many who stumble in their faith walk are mired in shame and remain stuck doing what they don't want to do, especially when it comes to one of society's biggest obsessions: alcohol.

In this brutally honest yet unashamedly hopeful book, Jonathon M. Seidl vividly details his spiral into disordered drinking—from Christian to alcoholic, not the other way

around—and shares the four-step process he eventually used to break free. Along the way, he addresses the roots of our addictions, exposes trauma, reframes the term alcoholic, and offers biblical support for why Christians aren't immune to ongoing sin struggles. It's the radically vulnerable book for anyone who has ever wanted to taste freedom but has found it elusive.
