DEVOTIONS FROM THE EARTH

The Woman's Study Bible poignantly reveals the Word of God to women, inviting them to receive God's truth for balance, hope, and transformation. Special features designed to speak to a woman's heart appear throughout the Bible text, revealing Scripture-based insights about how godly womanhood grows from a woman's identity as a Christ-follower and a child of the Kingdom. This beautifully designed edition speaks God's life-giving truth to women today—and is available in three translations: the NIV, NKJV, and the timeless King James Version.

The Great Disappearance

The rapture, the central event in biblical prophecy, holds profound significance for us today. In a world teetering on the edge of chaos, where political turmoil and economic uncertainty reign, understanding the rapture can bring you closer to God. "The Great Disappearance" is the culmination of decades of Dr. Jeremiah's study of end times in the Bible. In this definitive volume, he demystifies the rapture, distinguishing it from the second coming, and fills your heart

with the joy of anticipating the Savior's imminent arrival.

Key questions are explored:

- Who will be raptured?
- When will it happen?
- When will it happen?
- The heavenly experience for believers.
- Can non-believers still repent and be saved?

Dr. Jeremiah offers solid, biblical answers, steering clear of sensationalism and headlines, because God's plan is laid out in His Word. While the exact date remains unknown, the rapture is certain. Are you prepared? Embrace "The Great Disappearance" and journey closer to the truth. Blessings await those who long for His appearing.
