

If You Could See Hell for 5 Seconds

If you could see hell for just five seconds you would never take God's name in vain again.

You would thank Him every day for the rest of your life for providing the way of salvation.

You would thank God that you are still breathing and have hope.

If you could see hell for five seconds, you would fall on your knees and cry out to God to save you.

You would surrender your life to the Jesus and make Him your Lord and Savior if you saw hell for just five seconds.
