

‘Save the Outrage’ Over H&M’s Scandal—and Get Mad About This Instead

Clothing line H&M found itself in hot water this week when a potentially racist image of a young child was found on its website. But Christian vlogger Joseph Solomon thinks people may be missing the bigger spiritual issue—the culture of materialism that paves the way for child labor. As Solomon explains it, “We are outraged by this child wearing an H&M shirt—not even thinking that a child probably made that H&M shirt.”
