

What Dodie Osteen's Final Teaching Revealed About the Power of Prayer

In a heartfelt episode of House of Hope, April Osteen Simons sat down with her mother, Dodie Osteen, to talk about one of the most important assignments a parent or grandparent can carry—covering their children in prayer. This video, which ended up being the final teaching by Dodie Osteen before her death, reiterated how God can do great miracles in the family unit.

Dodie, who famously overcame liver cancer through faith and healing Scriptures, emphasized that prayer is not a one-time act, but a daily declaration of God's promises over our families. One of the key themes she spoke about was declaring words of blessing and life over one's children.
