

Why Does Evil Exist?

Quite a few people believe that God is the one responsible for the evil that occurs on the earth and in their own lives.

This is simply not the case.

God is good, and He wants us to live in health and benefit from His protection. If you don't understand and recognize where evil really comes from, you'll blame God for things that the devil brought upon you.

Evil is never from God. We have an enemy who wants to kill us, steal from us and destroy our lives. He wants to inflict us with sickness and poverty; He wants to deceive us.
