The United Methodist Church continues hemorrhaging members over their stance against biblical gender and sexuality, and those numbers just skyrocketed in recent days.

Following the UMC's decision to remove wording in their central rulebook which said homosexuality was "incompatible with Christian teaching," the denomination lost over 1 million members as the Côte d'Ivoire (Ivory Coast) Conference based in West Africa voted to leave the apostate church.

The need for biblical discernment and the empowerment of the Holy Spirit has never been greater, as the days we live in are filled with deceptive teaching and practices. Take strength in knowing that these things must come to pass, and as they do, be comforted in the knowledge that our Lord Jesus Christ is coming back again.
